# Osaw Agro Industries Private Limited

<https://www.agrosaw.co.in/>

We have entrenched ourselves as an unmatched manufacturer of Specific Gravity Separators, Indented Cylinder Grader and Destoners. All are products are widely appreciated for their high efficiency and easy maintenance.

## About Us

**Osaw Agro Industries Private Limited**, incepted in **1984** has emerged as a leading manufacturer of a diversified range of Specific Gravity Separators, Indented Cylinder Grader and Destoner. Our products are known for their excellent efficiency, high durability, and high performance. We offer quality products at very competitive prices, ensuring value for money to our clients. We are setting an example in the industry by providing easy to install products which require low maintenance and are ergonomically designed. Our ethical business practices and customer-centric approach has won us accolades from our esteemed clientele.

With state-of-the-art facilities equipped with latest machines and dedicated professionals, we are poised to deliver international standard quality products at the most affordable rates. Moreover, we procure superior quality raw material from reputed vendors and proffer customization facility as per their requirement. Moreover, our easy payment modes, ethical business policies, wide distribution channel and on time delivery schedules has given us a competitive edge in the market.

Our company is constantly progressing under the leadership of our prestigious manager **Mr. Sanjeev Sagar (CEO)**, who has always encouraged new ideas of manufacturing to offer a better quality of products to our clients. Being highly experienced in this domain, he is the ultimate source of inspiration for our team.
